

Cooperation agreement

between

Schäferhundverein RSVglobal e.V. [German Shepherd Club RSVglobal e.V],
Berliner Straße 70, DE-34346 Hann. Münden,
- hereinafter referred to as the **Main Association** -

a n d

German Shepherd Association [Schäferhundverein] RSVglobal **Name**
- hereinafter referred to as the **Local Group** -

1. After founding the **Local Group**, the **Main Association** recognizes the **Local Group** as a **Local Group** in the **Main Association**.
2. The **Local Group** will act exclusively within the scope of its statute, and also to promote the welfare of the **Main Association**.
3. The **Local Group** is obliged to in advance coordinate any intended amendment of the general bylaws of the **Main Association**, as well as any changes of the board of directors, as well as any occurrences that deviate from the agreed behavior towards the **Main Association**. In particular, all incidents which represent a behavior contrary to the statute, to the detriment of the **Main Association**, within the meaning of Section 4 (5) of the **Local Group** statute, are to be immediately reported, stating the parties involved.
4. The **Main Association** has the right to withdraw the recognition of the **Local Group** if there is an important reason to do so, at the discretion of the executive committee of the **Main Association**. The **Local Group** then has to give itself a new name in any case, which no longer contains the part of the name "RSVglobal". Otherwise, in the event of a revocation of the recognition, everything that could indicate further cooperation with the **Main Association** is to be refrained.

- 5. For each case of infringement, a contractual penalty in the amount of 1,000.00 € is owed, waiving the objection of continuation.
